Senator Reports

School of Architecture

1. Mohamed Hassan Mohamed.Hasan@woodbury.edu
 - a. A friendly reminder to take the surveys, that's how I can better understand what changes you want to see for the following semester.
 - b. We're 3 weeks out to studio finals, make sure to be: prepared for rendering, don't hog the computers and be kind. Don't shut down computers as well please many of us have work on there. Don't right by the doorstep as well or indoors please, it bugs a lot of people. Also don't use the spray-mount indoors as well. They have toxic fumes.
 - c. My rule is I leave studio by 9 pm at least every night. I come back 6-7 am and just work all day. Instead of staying up all night you won't get as much done as you would getting rest.
2. VACANT Please email any recommendations to aswu@woodbury.edu

School of Business

1. Angel Arias Angel.Arias@woodbury.edu
 - a. This week I just wanted to remind all students of the School of business to take the surveys on the ASWU website, Melissa and I will also try promoting it more as well. Register for spring classes if you have not done so already! Also, take this time to start reviewing for finals, it is best to start assembling study guides now and adding as you go to make studying easier. Try organizing study groups as well!
2. Melissa Toribio mellytoribio@gmail.com
 - a. I'd just like to remind everyone to take the survey corresponding to their major by using the flyers posted around campus or going to the ASWU website

College of Liberal Arts

- 3. Akeima Young akeimayoung@hotmail.com
 - a. Hope everybody has had a great week. I rescheduled meetings again with my dean and some of the professors from cola. I have also been pushing surveys. If anyone here is in the college of liberal arts please take a couple minutes to fill it out. We want this to pass and we want to support the organization's and your efforts to help make it pass thus we will be offering an initiative to all organizations that are present with good attendance during assembly IF this initiative passes, to reiterate if the initiative passes.  - d. A reminder next week is our last meeting, we apologize for the last minute location change it was due to a board meeting needing to take place in saffell at the same time next week we should be in our normal location.
- 2. William Garcia, Executive VP william.garcia@woodbury.edu
 - a. Goodmorning guys, I hope you all had a good weekend, good luck to everyone as we are nearing in on finals
 - b. Thank you to all those who attended our gardening day on Saturday, the South Hall Garden has plenty of new plants and flowers, it looks beautiful. If you get a chance, you should stop by and enjoy the new scenery.

- 3. Bennet Cariaga, VP of Finance bennet.cariaga@woodbury.edu
 - a. Please continue to take care of yourselves as we all continue to work towards finals in the coming weeks. Take breaks in between, and when I mean breaks, I mean that you should physically get out of your seat and out of the space that you are working in and take a short walk. When you get to breathe in fresh air, you will be able to think much clearer and keep a longer focus at the task at hand. Don't forget to drink water too!
 - b. As Alex has mentioned in her report, ASWU is supporting an initiative similar to rewarding student orgs with perfect attendance to Assembly meetings. ASWU would like to help out orgs with good attendance by supporting qualifying orgs with \$100 for their own use through the OAC account. Recruiting, marketing, and member retention are strongly encouraged and this \$100 will give a boost to orgs in these areas. This is in addition to existing incentives as well, making it easier for orgs to operate. This is only if the initiative, put forth by ASWU, passes.
 - c. We have received approval to move forward in getting lounge furniture for the Woody's Dining Room! We will continue to keep you all updated as this progresses.
 - d. As the semester is quickly coming to a close, I have a reminder to all Presidents and Treasurers of each org: please pay attention to your account balances and make sure that it does not slip into a deficit. If there are any problems, please have them addressed immediately and preferably before the semester ends. If this deficit continues into the

following semester, your org is at risk of not being eligible for OAC funding. Reach out to me if you have any concerns.

- e. Thank you for continuing in completing deadlines on time for OAC events, whether it may be FREA/Marketing items or reconciling.

5. Adam Ramirez, VP of Marketing adam.ramirez@woodbury.edu
- a. Hey everyone, just a reminder. For the table cloth, send me your emails as soon as possible. I am extending the time frame so I can have every org participate. I have received some files already from orgs but not in the format that was needed (as far as 2 colors), so I will take it upon myself to redo them.
 - b. If that can't be figured out, I will look into just possibly writing out your organization's name on the table cloth.
 - c. Another reminder, for the ASWU Co sponsor stamp, an email was sent out to Presidents and Treasurers regarding where to find the stamp in different files on the ASWU website, so if you were sending me your flyer to put the stamp on, there is no need to anymore as i've uploaded different files on the website.
